Dear Brethren,

Thanks be to God who saved me, called me, and led me to Blessed Independent Baptist Church! The ministry continues.

God has blessed the prison ministry. Many inmates have professed Christ as their Lord and Savior, and twenty-two inmates have been baptized in the baptistry at the correctional center.

Our children's club has also been going well. God has provided laborers for this crucial ministry, and gradual progress has been seen. The school ministry has been a blessing, and many children and teens have been saved as a result of these two ministries. In addition, one of the youth, Sunday Usang, has the desire to go to Bible college, and by God's grace, he should start in January 2026. Please pray for him.

Mr. Etim Nkanu lost his aged mother this quarter. Etim gave a wonderful testimony at the funeral on behalf of his mom. She had been a Catholic, who was trusting in her own good works for salvation, but glory be to God, after frequent discussions Etim had with his mother about the gospel, she received Jesus as her Savior.

Please keep praying for our church and for my health. I am looking forward to what God will do in the new year! Thank you for your prayers and support. May God bless you.

In Christ,

Shadrach Samuel
