MINISTRY UPDATE

"This is the Lord's doing; it is marvellous in our eyes." — Psalm 118:23

We praise the Lord for another fruitful quarter of ministry! During the third quarter of 2025, God allowed Global Baptist Church Planters to help start 23 new churches around the world — including 20 in the Philippines, two in Nigeria, and one in Burkina Faso. This brings our total number of new churches this year to 48, and our all-time total since 2004 to 904 churches! What an incredible testimony of God's grace and the faithfulness of His people. Each of these new churches represents souls reached, families restored, and communities forever changed by the Gospel of Jesus Christ. We are also thankful for the many new churches and individual supporters who have joined with us this quarter. Your partnership allows us to continue expanding the work and moving steadily toward our next major milestone — 1,000 churches started by the year 2027.

Prayer Requests

As we rejoice in what God has done, we also ask for your continued prayers for several of our faithful National Church Partners:
- Pastor Anbu (India) — Recently suffered a stroke and will need to step back from pastoring his church. Please pray for his healing, comfort, and that the Lord would raise up another faithful servant to continue the ministry in his place.
- Pastor Johnson (India) — Recently lost his brother and is now caring for his brother's family in addition to his own. Pray for wisdom, provision, and strength as he bears this heavy burden.

Looking Ahead: Global Church Planting Day

We are excited to announce a special event coming in January 2026 — Global Church Planting Day!

On this day, our goal will be to raise the funds necessary to fully support several new church plants for an entire three-year period. We believe this will be a powerful way to begin the new year united in prayer, giving, and vision for world evangelism. More information about how you and your church can participate will be sent out in the coming months. Please pray with us now that God will prepare hearts and provide the resources needed to make this day a tremendous success for His glory.

In Christ,
Austin Reed

PIONEER SPOTLIGHT

Dear Praying Friends,

We give all glory to God for His grace this past quarter. In September, I celebrated God's faithfulness and grace with my family, church, and friends for three scores (60 years) on the earth. This was a blessed time.

Our church service attendance witnessed an increase this quarter as new visitors and old friends of the church graced our Sunday services. On the last Sunday of August, ten souls were saved, and in September, three were baptized. Soul winning and visitation also added more souls to the Kingdom and to the Sunday church services and the Bible club.

In September, we had our mega soul winning rally and outreach. Eight churches were involved with ninety eight souls being converted. Glory be to God Almighty!

The church building is progressing with work done on the altar side. Please pray for God to supply the necessary funds and materials to complete the project before the weather changes and blows the roof off. Please also pray for growth, more laborers, strength, health, and a mini bus. All glory to God for what He has done through us! Thank you for your support. May God's grace keep abounding in your life.

In Christ,
Areli Ojo
