## With the James Carney Family

Dear Praying Friends,

November/December 2025

Our thoughts and prayers were with you for this past holiday season. We hope you were strengthened in your faith. We pray that you God would grant each of you a year of love for Him and others with your whole being.

« Le projet 66 » (Project 66) is a new ministry starting out of our church whose mission is to distribute the Biblical teachings from our church online. With so few French-speaking churches, the distributing of the Bible message online is a strategic move to help grow God's work. Sure, online content does not replace the church, but we have brothers and sisters who don't have access to a good church and they need God's Word. Secondly, for every French believer there are an estimated 97-98 other French people who are lost and our desire is to minister to them too. Many of the resources we have access to are either really old and/or those translated from English speakers. We are thankful for these resources, but our desire from the start has been to create resources in France for French speakers.

A family and one church recently enquired about our current projects we are working on and how they could help. I shared this ministry with them and they both donated a generous amount of money. This was such an encouragement—THANKS.

**Please pray** for the setting up of this ministry (bylaws, legal setup, charter members...). **Please pray** for the administration demands. **Please pray** for the wisdom needed as, week after week, we prepare sermons, studies and lessons for all ages in our church. **Please pray** for the work of publishing all the teaching online (live streaming, editing, branding, backing up data, running online platforms (youtube, podcasts, website)... If you want to help we have ongoing monthly cost (podcasting, online storage, website hosting...) as well as equipment needs to get this running smoothly (computer, monitor, accessories, drives...). We also have some expenses for the legal help to set this up.

We are glad for 3 new people coming to our church; would you **please pray** for them? One of them is in a difficult marriage and comes with his daughter and the other is in need of much counseling for spiritual and emotional restoration. **Please pray** for some electrical renovations that we must to keep up with the electrical code. Finally, **please pray** for wisdom in all the decisions that need to be made on a daily basis. There is much more going on, but let's start with this.

*Merci,*

James & Virginie Carney
