

Dear Friends and Family in Christ,

God has been so good to us answering prayers left and right. We have been seeing God open doors and use our family here in the USA and we are getting great reports from the ministries back in South Africa!

We can't say "Thank you Lord" enough for how He has provided for our family and answered our prayers. From vehicles to drive, a home to stay in, and family and friends to see - God has been so good to us. We prayed for Clark to get settled in at college and God has worked beyond our requests. We have been by several times to visit him and he is doing well in school and enjoying the college environment at Crown. Please continue to keep him in your prayers as he Lord willing, prepares to be a "second generation" missionary!

I speak with men in South Africa from time to time and get reports on how things are going. Recently I got reports of two young men getting saved and the need for a baptismal service very soon! There is truly no greater joy than to hear your spiritual children walk in truth! The Wilkerson family is there at Kuyga Baptist Church and they have been a HUGE blessing to the young church and helping in so many needed ways! We are thankful for their friendship and help.

Madison Brown just recently arrived in South Africa as a single missionary to help in many different facets but the main one being the Bible College. She is already hard at work setting up her home and office. I believe she is making progress on both. She has been printing our books for the coming semester that starts February the 11th! Pray for her setup and all the work she has to get done to help the semester start smoothly. Pray for the students and teachers as well. I am not completely sure on the number of students but I know we have several new ones so we are very excited about what God is doing! Thank you for your continued support and prayers!

Doing Our Reasonable Service,
Kevin, Corli, Clark, Hudson and Lana Hall
