

The Hall Family

Missionaries to South Africa

Dear Praying Friends and Family,

It is a privilege to be able to serve the Lord on the mission field. We are thankful for all the ways He chooses to use our family to bring souls to Christ, make disciples, and see churches started and strengthened. Let me share with you a little of what our Lord has been doing over the past couple of months.

In May we had a great Mother's Day Service and finished up our Bible College semester. We had 6 mothers come to our service one of which was the mother of one of our teen girls that we had been praying for. Continue to pray for this little fellowship. We are asking God for 10 family units. We do want to thank First Baptist Church of Atoka and Pinecrest Baptist Church for the SUPER generous offerings toward this church being able to get land and a building of it's own!

We had a solid semester of Bible College classes. The students are doing a great job ministering in their local churches and growing in their knowledge of the Word. They just finished up serving as camp counselors at Camp Rhino 🐘. We are super thankful for the young men and women God has sent to train at Bay Baptist Bible College. It wouldn't be possible without the local pastors and missionaries starting churches and training their people. Pray for one of the young men at the college, Litha, as his family doesn't know the Lord and is really pushing him to quit Bible college and go to university next year. He has some hard choices and conversations ahead of him. He really has a heart for the Lord. Pray he would have courage and wisdom in the days ahead.

Father's Day was a real blessing as well. We had several fathers come to the service and two of them made professions of faith! One of the young girls in the church had been asking her dad to come to church for a while and he finally came on Father's day and made a profession of faith! Another one of the Father's that came was a Zulu man in his fifties that is crippled. His name is Job. My son Clark and I met him out on door to door outreach. He speaks Afrikaans so Clark was able to share the gospel with him and invite him to church. He came that next Sunday and Clark was able to sit down and share the gospel with him and he trusted the Lord as his savior! There is no greater joy than to see your kid loving God, witnessing, and discipling. We had a baptismal service a few weeks later and baptized Job and another man named Elvis as you can see in the pictures. We are thankful to the Lord for working in the hearts of these men and using our children for His glory!

Thank you for your prayers and faithful support of the ministry here!

Doing Our Reasonable Service,

Kevin, Corli, Clark, Hudson, and Lana Hall
