

Dear Praying Friends and Family,

Over the past several weeks we have been all over the U.S. God has allowed us to be in some incredible churches and meet some very special people!

This is missions conference season and we started off at Whittier Lane Baptist Church in New Castle, Indiana. We were able to preach, teach, and also minister to the kids in this church. Pastor Keppel is doing a great job and this church has a heart for missions. We actually went to school together at Crown many decades ago. Looking forward to partnering with them for the gospel!

God gave Corli and I the opportunity to teach module classes at Vision School of Missions on Biblical Manhood and Womanhood. In 2025 this is such a needed class! By the way, VSM is a great school with a focus on missions probably like no other school out there. If you are considering or think you are called to missions you should check out Vision School of Missions.

We also had the privilege of being in a couple of missions conferences in Arizona. The first was at Desert Gateway Baptist Church. This church gives over half a million dollars to missions each year! There was such a great Spirit in the church. They place a huge emphasis on missions and have a Bible College training their own people to serve the LORD. From here we went to the Navajo Reservation in Ganado, AZ to be with Missionary Mark Haynes and Ganado Baptist Church. This Navajo congregation gives over \$100,000 to missions each year, has a Bible College training Navajo Indians and sending them out to church plant and be missionaries! It was incredible to see and learn from this ministry! God is doing amazing things through the Navajo Christians. Bro. Haynes is a wealth of information on missions and ministry. We loved our time in Arizona!

We got on a plane from Arizona back to Georgia and hit the ground running to finish out preaching the last 3 days of missions conference at our sending church, Whitfield Baptist Church. Their goal is \$160,000. As of last night the commitments we right at \$150,000. Pray the remaining commitments would come in. From here I had the opportunity to teach and preach at North Georgia Baptist College where Clark is enrolled. (Side note - pray for Clark as he is planning to get married May of 2026!) A great affordable college lead by Pastor Kyle Coker. Then we went on to Oakwood Baptist Church in Anderson, SC for their annual missions conference. We got to hear Dr. Edgar Feghaly and spend time some time with Pastor Jones and the church family. Space won't allow but we continued on at White Graves Baptist Church's missions conference in Ranger, GA along with a meeting at Fellowship Baptist Church in Durham, NC. We had a great time at all these churches. They were all so gracious to us! God has blessed us with some new prayer partners and supporters for which we are super grateful.

Lastly, Hudson and I just finished a week of representative work for Vision Baptist Missions at Ambassador Baptist College. Another great school with a heart for missions! We were able to speak to a number of students about missions trips, internships, and serving the LORD. It's a privilege to serve our Lord. Pray for us as we are scheduled to head back to South Africa November 22nd!!!
