

The Lesters serving in Australia

3rd Quarter 2025

Dear Co-laborers and Supporters,

We have had an exciting and busy winter here in Australia. Our winter here in Perth has been the wettest and coldest in over 20 years. Although we have experienced numerous illnesses in our family and church, God has truly blessed us during this season. We have seen several visitors and have gained a new family.

We had a grandmother and a grandson passing by the building. She heard the music, and she was eager to come in and worship with us, even though they were on a walk to the park. She was from an island country and was in Australia getting medical treatment while staying with her family.

Another young man who we have had visiting with us, lives in Germany, but his family is of Russian decent. He is in Australia for a short time. He told us that he asked AI where he should go to church to learn the Bible, and the AI gave him our church's name. He had gotten saved just before coming to Australia and has been faithful to our church while he has been in town. He left last week to travel around Australia, but he plans to come through Perth again before leaving Australia to return to Germany.

Please pray for our upcoming Thanksgiving service on November the 9th. This is always our most attended service.

Finally, thank you for praying last year that we would have a place to live. God provided for us. We live in a beautiful area, and we get to see the native wildlife often (we haven't lived through a summer here yet, so we are hoping for no snakes). The attached picture was taken last week in front of our house.

Thank you for all your prayers and support.

To the Praise of His Glory,

Gary Lester
