

Liedtke August '23 Update HONDURAS

Dear Friends,

The pictures say it all for this letter! We have had a very fruitful few months of ministry.

We were able to serve in evangelism for a medical brigade in Siguatepeque alongside HBC Medical Missions out of Texas. The clinic served some 900+ people and we were personally able to lead 103 of them to faith in Christ for eternal life. This was a great encouragement!

Shortly after arriving home we got a call from our pastor friend Josué Izaguirre and he asked us to participate in giving out Bibles and evangelizing in the public schools. Hundreds of students received the Word of God in 3 schools and many prayed to confess Christ as Savior. Praise the Lord!

Daniel Moncada, a seminary student in Sabana Grande, came and preached for us at Faro de Luz and spoke at the men's meeting in June. The ladies also had a meeting with a craft in July.

August has been a blessing! We celebrated 39 years of marriage on the 4th and were able to eat at a restaurant way up on the mountain overlooking the capital city of Tegucigalpa. It was a special time.

And 3 people were baptized this past Sunday! One of them is a man that has attended the church for almost a year and finally decided to make his decision for the Lord on a Wednesday night a couple of weeks ago.

*Construction continues with the filter boxes for the cistern in order to capture and use rain water now completed and a small room being constructed for a nursery.***We will be sending you a video in the next week about "Project Pastoral Apartment." Our goal is to raise funds to do all of the finishing work, like tile and drop ceiling, cabinets, etc. Would make a great Fall Missions Conference project or Christmas Offering project for your church! Stay tuned!*

Thank you for all of your support and prayers! The Lord is at work in Honduras!

In Christ, Mark and Brenda Liedtke
