Quarterly Newsletter

November 2025

Greetings once again from the Home Office of Macedonia World Baptist Missions. These are exciting days in which we are living. God is still answering prayer and meeting the needs of His children. It is our joy to bring you this quarterly update. You may notice, it is a few days later than usual. We wanted to be able to share some highlights from our National Conference.

National Conference

The Lord greatly blessed this year's National Conference. Peoples Baptist Church was such a gracious host to our missionary families. We had a wonderful number of missionary families in attendance. The missionaries left encouraged and challenged to continue in the work God has called them to do. We were reminded throughout the course of the week of the great need for our missionary work and the important role we all play in this work. Time is short, truly, as our theme said, the hour is late and the need is great. The Lord worked in hearts throughout the week, and for that, we are grateful. Please enjoy some pictures of the conference.

Youth Conference 2026

We are already planning and preparing for the 2026 Reach the World Youth Conference. Please mark this date on your calendar and plan to be with us, Saturday, April 18. God has used the Youth Conference in powerful ways in the past, and we are trusting Him to do so again. We have been near capacity the past several years. We anticipate that to be the case again this year. We look forward to sharing the theme and opening registration soon. Watch our social media accounts for more information.

Thanksgiving

As we approach the season of Thanksgiving, we want to again remind you of how thankful we are for your faithful prayers and support for our Home Office and staff. We could not do what we do without you. Your faithfulness makes a difference in the lives of every Macedonia missionary. Thank you for being part of reaching the world with the Gospel.
