

The McCormacks To Peru

August 2025 Prayer Letter

To Grow Again

Spring has come to Arequipa, Peru! Or well, as much as spring can come to a desert community. Mainly, we just have a lot of sand and dirt. While we may not have the traditional “spring growth” of flowers and, well, really any other type of flora besides cacti, God is growing His ministry here! This month’s outreach event for our church reached 200 kids who came out for our Children’s Day event. We were able to pass out tracts to each of the parents who attended with their child, and a Bible story with the Gospel presentation was also given! What an exciting time it was to continue to grow our connections into the community and to see God’s Word shared!

We are praising God for the fifty teenagers and ladies who attended our Ladies Conference. Jacquelyn, as well as two of our pastors’ wives, were able to teach several courses over the span of two days about growing in our walk with the Lord. Laughter echoed through the rooms as they unpacked Scriptures about growing in their faith, and, by the end, you could almost see those roots digging deeper as women left with notebooks full and hearts even fuller.

Dayana and Jonny got baptized! Tears coursed down my cheek as this couple, who have gone through so much loss and grief this past year, proudly stood up in front of the church and proclaimed God’s goodness in their lives. Silence settled upon the church as the couple poured out their hearts, sharing about how they first came to El Salvador Baptist Church, how God had saved them, and, more recently, how God has used their grief to grow their faith. It is, sadly, a rare thing. But that night, that night, our church was reminded by their simple words of faith that, in a world filled with so many hardships, even in the breaking, Christ is making something beautiful anew.
