# CITY BAPTIST CHURCH

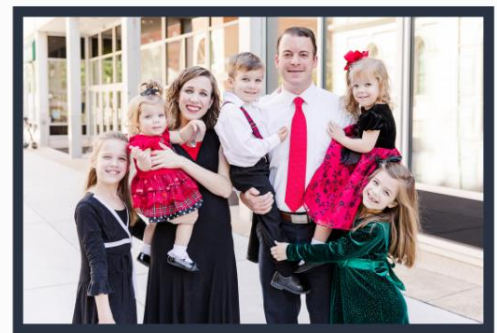

CHURCH PLANTING IN THE CITY OF ATLANTA, GA

## GREAT START TO 2024 & 2023 RECAP

### Christmas Craft Night

We had a great turnout for our Ladies Christmas Craft Night in December. 25 ladies came from our church and the community. This was a great event to connect many of the ladies coming to the English classes with ladies in our church. The gospel was clearly given and we are praying that those seeds would bear fruit in the coming days!

### ESL Student Saved

We have asked prayer for Eva to be saved for several months. Eva came to our English class many months ago saying she was going to be a Christian. She thought you just come or "get washed" and that makes you a Christian. "My daughter is going to be taught about LGBTQ, and she needs power inside her instead," Eva told my wife. Eva was seeking a power to fight against false teaching, and she came to the right place! After spending hours with Katie giving the gospel and watching the gospel film in Chinese several times, Eva accepted Christ as her Savior just before Christmas! This is fruit of our weekly English classes where the gospel is given and students have opportunities to ask questions.

### Growth

I do discipleship with one of our young men each week on his college campus. Recently he mentioned to me that since being saved, he doesn't feel like he can play the same video games he once could because of the sin and vulgarity that are depicted in them. I had not yet mentioned anything about video games! It is exciting to see how the Holy Spirit will root out these things if we are surrendered to Him!
