

Isaiah 12:5 Sing unto the Lord; for he hath done excellent things: this is known in all the earth.

As 2023 ends, we stand in awe of all God has done and the answers to prayer that only He could accomplish! By His grace, we have completed the 4th month of our Tuesday Bible study. We have finished a study on Theology and have begun a study on Christology.

God has answered our prayers by bringing people to the Bible study. We have only had one day that it has only been our family. Another answer to prayer was God bringing Dominique into our lives. He has faithfully attended the Bible study and sacrificially helped Brandon pass out tracts every week. God has encouraged our hearts by many others giving their time to help pass out tracts and invitations. Please help us pray that God would bless the thousands of tracts and invitations that have been passed out.

We have been praying that the room we rent for Bible study becomes available on Sundays. Our landlord recently told us that the room will be available on Sundays within the first few months of the New Year! The projected time is February or March. Please help us pray that God will provide the last few needed items to begin having services. Because our meeting room is shared with others throughout the week, we have to set up and tear down everything after every meeting. We praise God that we have been able to rent a storage closet in our building. Since everything will need to fit into that small space or in our van weekly, we are searching for a portable electric piano, collapsable piano stand, and bench. A few hours from us, a German church recently closed. They gave their songbooks to one of our friends. Praise God he is donating some to our church! We are thrilled to see God advancing the Gospel and allowing us to be used here.

One of Reese's best friends and her mom visited us. Reese was completely surprised! It was such an encouragement to have friends here! We have had a few people contact us desiring to visit in 2024. Please pray for their provision and wisdom in scheduling their trips. It is a blessing to show others the mission field here. Please help us pray that God will send laborers to help reach Germany with the Gospel, both in visitors and people who would move here to work with us. It is such an enormous task to reach the people here, both in numbers and the condition of their hearts. We praise God that nothing is impossible with Him, and results are not up to us! Thank you for praying for our family and the minister here. You are an essential part of our lives and the work here.
