RYAN & MELISSA OVERFELT

FALL 2025

**WE SERVE A
WONDERFUL GOD!**

THANK YOU

Thank You for your Prayers and partnership! We want to send a special, "Thank you," to everyone who prayed for this Summit, and for every person, and church who has given financially to help with the needs of each Summit! God bless you! **We praise the Lord for continuing to provide as only He can!!**

CANADA

In August, Melissa and I were blessed to be able to go to Canada and be a part of the All Points, "Canadian Missionary Refresh Retreat." It was a privilege for us to be there, and to minister along side of David and Julie Loop and many of the All Points Staff members that week. God blessed tremendously and met with us in special ways through the services, and through the Teen classes as well! We had sweet times of fellowship and prayer together with these missionary families. God also opened many doors and opportunities for us all to witness and to share the gospel with several people in the area! Praise the Lord for all of His blessings, His protection, and His goodness to each of us that week!

UPCOMING

We are thankful to God for you, and for your faithful prayers and support of our family and of this ministry! We ask that you would pray for Melissa as she will be speaking at the **"Ladies Fall Fellowship,"** next week at our home church! Please also continue to pray as we will be praying and beginning to plan for **Summits and for ministry for next year.** We truly want God's leadership in this ministry. We will also be traveling to see family in November and December for the holidays, and we look forward to the ministry opportunities God has for us over the next few months!

7TH HEIRLOOM SEED SUMMIT

God blessed mightily! We are excited to report the Lord's blessings as He used each message and each, "Victory Session," to work in hearts, and to give help, victory, and encouragement to everyone at the Summit! We were blessed to see God do His mighty works again in the hearts and lives of young people! One young lady got assurance of her salvation, a young man answered the call to preach, others dedicated their lives to live for God, and to do His will! Many other young people responded to God, and got things in their hearts and lives right with Him! Others yet received encouragement and help for the trials they are going through, and the troubles they have been facing! What a great God we serve, Who cares for, and intercedes for the needs of His children! To God be all the glory for these answers to prayer and the great things He has done!! We are also excited to report that this was a the largest Summit so far, with 49 teenagers attending! We want to say a very heartfelt and special thank you to all of the Summit Staff who prayed and volunteered their time to serve the Lord, and to minister to the teens at the Summit! We could not do these things without them, and God used each of them in special ways!
