

# Merry Christmas

December 2023

Barbara and I want to take this time to “THANK” God for His “Unspeakable Gift.” We praise the Lord for the Gift of Salvation, the Lord Jesus Christ and His forgiveness and cleansing of sin. I want to also thank our wonderful Lord for the amazing privilege to “SERVE” Him. I don’t deserve it but am glad He allows it.

Please remember the men and women in the Armed Forces of our Nation for which many are in “Harm’s Way” right now and especially for those who have given their lives. Our Savior’s sacrifice and the sacrifice of so many of our loved ones, past, present and future proves how “COSTLY” our freedom really is and always will be. I thank God for the price that has been paid and for those who continue to pay it!

What an “HONOR” and “JOY” it is to represent so many of you in serving these wonderful people all around this world. God has given much fruit because of your faithful prayers and support. We wish you all a very “MERRY CHRISTMAS” and a “HAPPY, PROSPEROUS NEW YEAR.”
