CHURCH-PLANTING UPDATE

As we approach the end of our furlough, we begin to look with anticipation towards moving to Northern Ireland. We have been praying and beginning research about the area in which to start the church. We've found that there is a great need in the Catholic areas of the country.

Over the last few years, the Catholic population in Northern Ireland has grown to be the largest religious group, but the outreach into this community has not increased due to old religious and political tensions in the Evangelical community. These areas are in dire need of the truth; they are inundated with religion and tradition, but the truth of the gospel is far from them.

Traditionally West Belfast has been the largest Catholic community in the city, but there are areas in the North and South of the city that have large Catholic pockets. Please pray with us as we seek for the right place to start this new work for the Lord!

FINANCIAL BLESSINGS

Oftentimes, we cannot anticipate the way the Lord will work. Our home church voted to give us the \$10,000 that we budgeted to start the new church in Belfast! This was not something we had asked, expected, or anticipated. We are deeply thankful for them and their willingness to help us with the next step of our ministry.

We are also deeply appreciative of the contributions that have been made to the church fund. These are being put into a church-planting fund that will be used for anything over what we budgeted for. We are thankful the Lord takes into account our limited knowledge and gives to us in anticipation of what we will need. Budgets rarely work perfectly especially in buildings. Thank you all so much for your overwhelming financial support for this church planting endeavour!

Thank you,
Sam, Beth, Ruby, and William Quinn
