

Praise the Lord:

1. Opportunities to minister at the local camp
2. Great attendance in church and after-school program.

Please Pray for:

1. Bob had his ENT appointment and will have an MRI scheduled soon.
2. He has a routine cardiologist appointment this week as well.
3. Wood is needed for this winter.
4. Spiritual growth in our people's hearts
5. Another couple to work along with us.
6. Spouses for our adult children

“...pray earnestly to the Lord of the harvest to send out labourers into his harvest.” Matthew 9:38

September is a time when people in the north go camping and hunting! Several of our families did just that. We were involved in helping at a camp close on our reserve. Bob was asked to hold a couple of workshops on family and children.

We had a good turnout and good conversations. Someone suggested holding family workshops on the reserve as well. We are praying this will go forward. We are so thankful to be included. We are the only non-native people who are invited to help. It feels normal to us since we have always worked with another culture.

We moved our Sunday Service to the camp that week as many were already there. We had great attendance, and most of our people showed up there. There was a meal to follow, which was nice. Cindy and Deborah took the kids to a building and had Sunday School. It was longer than normal, but the kids seemed to enjoy it.

Special Kids:

This little one loves to act out the songs and is the first to come up front to hold the heart for the song, "My heart was dark with sin". Her family comes to church. She is the youngest of 6. Their father faithfully reads the Bible to them every day.

Safe Zone started up on September 16th. We had a great turnout of 16 kids. It was an exciting time. Since then, the attendance has dropped to around 10. We are going through the main stories in the Bible. Since we went through Genesis already, we started in Exodus and the story of Moses. Please pray that these kids will see Christ in us and the Bible.

In other news, we helped Deborah empty her storage unit in Kenora and sold most of her household stuff. She has an exam in November to finish off her Medical Assistant degree. I know she would appreciate your prayers.

Rachelle was also asked to move into another teacher's house so they could sell the one she was living in. She likes where she is now. She so enjoys teaching and has 19 little 5-year-olds under her charge.

Rob and his new wife are doing well. Rob has a new job and seems to be enjoying it. Eyrn continues to teach at Penscola Christian College. We so wish we were closer, but this is the place where God has placed us to worship.
