

The **Salvatierra** Family

Missionaries to **BOLIVIA**

Dear Friends and Prayer Partners,

August 2025

Vania lead Beisa to Christ!

As always, we want to thank you for your faithful prayers and support for us, your missionaries to Bolivia. It's encouraging to know that we are not alone in this work, but we strive together for the cause of Christ.

Also, we want to thank you for your prayers for Esther while she recovered from her broken arm. We praise the Lord that it healed well. She also celebrated her 7th birthday in July. We're so thankful for how much she is growing.

At the end of July, Magdalena celebrated 305 years since their founding. There were festivals, parades, and a lot of people everywhere. The celebration lasted a week. The following week, on August 6th, was Bolivia's Independence Day. We were able to have a patriotic Sunday and sing Bolivia's national anthem.

There are some exciting things that we have been able to witness in our discipleship program. First, Vania, who completed the discipleship program, was able to lead her first soul to Christ! What an exciting thing it was! Second, Ericka, another one that finished the program, is now discipling someone else. That is what we have been praying and waiting for-for the tables to turn. The men have been a little slower to be discipled, but now Ernesto is meeting with five men during the week for discipleship, and that is a blessing. Please pray for these believers that they will be rooted and grounded in the truth.

We were thankful for our friends, Ashlyn and Christine, visiting us at the beginning of August. They were able to bring us some tasty treats from the States like cashews and zebra cakes which were yummy. Also, during their visit, the ladies were able to have their first Ladies' meeting which was a great success. Christine and Ashlyn spoke about refreshing ourselves in the Lord. Amanda was able to translate into Spanish, which was a first for her.

The Ladies' Meeting

Dilson trusted Christ!

The Sunday our friends were visiting us, I received a call from a known brother in the church asking me to go to his uncle's house to pray for him because it was believed that his uncle was demon possessed and acting strangely. I have to admit, I was not thrilled about this since I have not experienced anything like that. Thankfully, the person was not acting strangely when I got there, and I told him that the answer to anything in life was Christ. I shared the Gospel with him for a while, and praise the Lord, he got saved! Please pray for Dilson as he grows in the Lord. This past Sunday, Dilson came to church. We pray that this will be a new beginning in Christ for him.

Thank you once again for all you do for missions around the world may God's blessings be upon you.
