December 2025

Dear Friends in Christ,

Wow! Christmas and New Year is already upon us. Can you believe that 2026 is just around the corner. I was just getting used to writing 2025.

Currently, if you follow our travels, we are in Jackson, GA at Westside Baptist Church. We have spent the first several weeks getting some things in place that will expedite the process of helping them locate their next pastor. As usual, this church is different than others, but we know the Lord has just the right man for the job. We need to be patient in the process of God's timing.

Patti and I wanted to take some time this year to let you know what a blessing you are to us, not only to support us financially on a regular basis, but to pray for us also. Throughout the Thanksgiving Holidays, our thoughts turned to you for partnering with us in this ministry. Thank you so much!

Now Christmas is upon us. This is such a great time of the year not only for giving of gifts, but to be able to share the most wonderful gift of all, the Person of Jesus Christ. This is the time of year that people will listen more often, as we share with them how they can know Christ as their Personal Saviour.

The New Year is just around the corner. We begin this New Year doing what we love to do the best and that is assisting churches in their search and transitioning into their new Pastor. Our schedule continues to fill with requests coming in almost every week. We cannot fill each request, there are just too many. We're trusting the Lord to send more seasoned pastors to help us in this ministry of Church Rescue.

I cannot imagine us doing anything else, but we also know we couldn't do it without the Lord helping us and all of you backing us. We want to say to each and everyone of you, have a Christ centered Christmas and may God bless each of you in the New Year.

In Christ,  
Alan & Patti
