June 2025 Prayer Letter

Dear Praying Friends,

Praise and Thanksgiving: God is so good to us! He has given us health and strength, and He watches over us in all of our travels. We are so thankful for your prayers for our health and safety, as well as for our Keep the Buses Rolling Ministry. We thank you for your cards and messages.

Ministry Blessings: So far this year, God has allowed us to help the church-bus mechanics fix 51 buses. It is our privilege to go soul winning with the bus captains and to give out tracts wherever we go. We preach on the importance of having a bus ministry. Most of those who have been reached with the Gospel of Christ were saved under the age of 18.

Jesus Saves: While I was taking a short walk in the morning before bus work at Anchor Baptist Church in Columbus, Ohio, a young man named Jeremiah came up to me. He noticed my uniform and told me he was looking for a job. I told him it was great that he was trying to find a job. I knew God had led him there so he could hear the Gospel. As I shared the good news that God loved him and Jesus died for him, he bowed his head right there and trusted Jesus as his own personal Saviour.

My grandson Caleb and I were looking for a part at O'Reilly Auto Parts. While there were few customers in the shop, we were able to share the Gospel with our clerk, Kevin. He was so ready to receive Jesus as his Saviour. We went away with rejoicing for what God had done.

We so appreciate those of you who partner with us in prayer and financial support. We are thankful for those who have bus ministries and are growing them. We are praying for a revival in the bus ministries all over America.

Prayer Requests: (1) Pray for Bus Conferences to be started up again. (2) Pray for more bus workers to step up. (3) Pray for CDL drivers to volunteer. (4) Pray for churches to start new bus routes. (5) Pray for more bus mechanics to become church-bus-mechanic missionaries.

Yours for souls,

Warren & Jary Lynn Storm
