

SEEDLINE SOUTH

a ministry of Providence Baptist Church

2023/2024

Dear Pastor and Praying Friends,

As 2023 comes to an end, I'd like to recap what the Lord has done in and through our ministry this year. God allowed us to complete 28 Scripture Projects, 8 of which were first time churches. A new 'Planted Level' Church was added, and with the existing ones, we assembled around 1.5 million copies of Scripture. We were also able to add a new pick-up truck and brand new trailer to the ministry. These were paid for in full by our ministry and generous donations. We also were blessed to add a couple of staplers and a new stainless steel top to our trimmer. It looks great and runs great. A huge 'Thank you' to the churches and individuals that helped make 2023 our biggest and best ever!

As we step into a brand new year, I'm super excited to see what my God is going to do with our family and His ministry. My calendar is almost completely filled over the next 4 months. We do have various dates available throughout the year though. If you are thinking about or are interested in hosting a Seedline Scripture Assembly Project, please contact me. I'm available by phone, text or email. If you'd be interested in knowing more about the ministry or would like for me to speak to the church about it, I'd be available as well.

We thank God for letting us be a part of this ministry. We also thank Him for all who partner with us prayerfully and financially. You make it possible for us to reach the world with the Gospel.

Prayer Requests:

1) Souls will be Saved 2) Good health for our family (especially Tanya) 3) More churches to get involved, so more Scripture can be produced. 4) Financial Support (Currently 63% of our Monthly goal) 5) Lastly, but definitely not least Prayers. The Prayers of God's people can move mountains and make the seemingly impossible happen. We covet them.

With your help, let's do more 24!

Serving Christ Together,

Terry Sturgill
