

SEEDLINE SOUTH

a ministry of Providence Baptist Church

Pastor and Praying Friends,

Fall 2025

I pray this finds you doing well. I thank the Lord for you daily. We are extremely blessed to be your partners in sowing the Gospel seed and reaching the world for Jesus.

Wow! We definitely had a summer to remember! The Lord blessed in ways only He could. Because of the willingness of His people and the zeal they have for reaching the lost with His Word: we were able to complete 10 Scripture Projects, Praise the Lord! More than 300,000 John and Romans were assembled, shipped, and distributed around the world. I pray many will come to a saving knowledge of Jesus Christ. We know His Word is powerful, Hebrews 4:12, and it will not return void, Isaiah 55:11.

As we move into Fall, I am praying for more opportunities to share His Word. I also look forward to spending some much needed and much desired time with my family. Because of different circumstances, they can't always travel with me so it's difficult for us all.

We received great news concerning Tanya's health a couple of weeks ago. Her doctor shared with us the results of her recent MRI. He couldn't say definite, but it looks like the internal radiation eliminated the cancer on her liver. He says the massive amount of scar tissue may be hiding a small amount of living tumor but couldn't confirm that. He also said that it may be completely gone. We pray it is. Thank you all for praying. She goes for another scan in December. I will update you then. She is still and will continue to suffer with the effects of everything she has endured over the past three and half years. Please pray for her health, strength, and recovery. It will take a long time, but praise God, she is still here!

Thank you for praying for and supporting our family and ministry. May God receive all the glory, honor, and praise!

Working together for His Glory,

Terry Sturgill
