

SEEDLINE SOUTH

a ministry of Providence Baptist Church

Pastor and Praying Friends,

Summer 2025

My family and I recently attended a parade honoring service members who paid the ultimate sacrifice. There were many posters and banners with the phrase "Freedom is not Free". We will soon celebrate our Nation's 249th birthday. I'm very thankful to live in a free country because of the efforts and extreme sacrifices of so many. We are truly a blessed Nation.

The United States enjoys freedoms and privileges other countries can only dream about. We are free to go to church and privileged to have the Bible in our own language. Some of us may have 10 or more Bibles in our home, vehicle, or workplace. Many countries don't have that many.

Missionaries around the world risk imprisonment, or even death to get God's Word to a lost world that needs to know who Jesus is. It's very humbling to be able to assemble and ship John and Romans to them. None of that, however, would be possible without you and Churches like you partnering with us. Thank you for seeing the great need, answering the call and helping Seedline South as we continue to reach the world with the Gospel.

Over the past three months, we've completed seven scripture projects while also delivering to "Planted-Level" churches, preaching and giving updates at several supporting churches. Usually, the summer months are a slower, less busy time for our ministry, but not this year. Eight projects are scheduled over the next few months. Praise the Lord! A "Hugh" Thank YOU for all helping and being involved with scripture assembly.

Prayer Needs:

- 1) As most of you know, my wife Tanya, has stage 4 liver cancer. She received a Y-90 treatment in December that eliminated 2/3 of the tumor. She received another in May. We are set for an MRI to determine the effectiveness in August. Please pray it was successful and a cancer free body. We know God can. We're trusting Him.
- 2) Please also pray for our family. They are unable to travel with me on many occasions leaving them at home, separating us. Pray for safety.
- 3) Pray for the scriptures produced to safely reach their desired destination.

Thank you for your continued prayers, support and participation in our ministry and love for our family.

Working together for His Glory,

Terry Sturgill
