Church Planting Missionaries

DEAR PRAYING FRIENDS,

We are wrapping up almost two years on the field! Today, as I send out this prayer letter, we are at the airport in Santiago, Chile, flying home to spend the holidays with family and introduce our new baby to our parents! We are excited and full of joy. We want to give thanks to God for how He has given us good friends and effective ministry in Chile! God has blessed us in spite of the many challenges. He has drawn us closer to Him through every trial, and this Thanksgiving, we are grateful to Him for the opportunity to travel home. The highlight of my personal ministry since January 2024, when we arrived in Chile, has been discipling Ignacio. We met together about 25 times this year and had many edifying conversations. He is hungry to know God's Word! As you all know, Christ promised that those who hunger and thirst for righteousness will be filled. His rapid growth has been

encouraging, and I am praying that God would lead him into full-time ministry in the future if that would be God's will. He has already demonstrated proficiency in sharing his faith. I know God will use him mightily if Ignacio remains faithful; I have no reason to doubt that he will. Overall, we have been encouraged by our first term in Chile! The missionaries we know have not only helped us and been good friends, but they are also doing a wonderful job planting churches and leading people to Christ! The Chilean pastors we know are fully committed to sharing the Gospel in the same way. We can see that God is spreading His Gospel throughout this city. It's a far cry from having a sufficient Gospel witness for eight million people, but the Word of God is spreading, and the number of true believers is growing. This is what we are giving thanks for this year!

IN CHRIST,

Furlough

I need to clarify that our furlough will start in November and not January. We are returning for seven months before we plant a church in Chile. I previously stated that our furlough begins in January because that's when we will begin traveling again to visit our supporting churches.

We will be home until July, visiting supporters and traveling to new churches as well. If you would like us to report back to your church, please respond to this email and let me know. We are looking forward to visiting family and reporting to our supporting churches! God bless.
