Dear friends in Christ,

November 2025

Two things were waiting on us as soon as we arrived in Lima on October 30. One was a pastor in desperate need of comfort and counsel. He picked us up at the airport and as soon as we unloaded our suitcases from his car, he unloaded his burdens from his heart.

The second thing that was waiting for me was a root canal. I had reserved an afternoon appointment with the dentist. That turned out to be very important as it was the beginning of a treatment for a chronic infection in my jaw. From there, many more opportunities and challenges quickly presented themselves.

Visiting Supporting Churches in 2026

We have plans to visit a few of our supporting churches this year. If we did not visit your church last year, and you would like to have us in 2026, please contact us as soon as possible so we can begin to organize our calendar. You can write us at: stanperu@gmail.com.

Camps and Opportunities Coming

Summer is soon upon us and that means camping season. Last year we presented the opportunity to give an offering that would be a partial scholarship to help needy children and large families attend our camp just outside Lima. We would like to present to you the same need once again.

A week at camp costs about \$28. We want to offer a scholarship that would cover a little bit less than half that amount. This makes it affordable for many parents to send their children to camp while at the same time it still requires a sacrifice on their part. The sacrifice makes them appreciate the opportunity to attend camp and the scholarship provides an opportunity for others to give and be a blessing to children and reap eternal rewards for the glory of our Lord. We encourage church people here in Lima to give financially for scholarships as well.

The scholarship also helps to sustain costs at camp. This year our goal is to provide 350 scholarships. This would be a goal of \$9,800 (\$28 x 350 campers).

If you would like to give so children can hear the gospel and learn more of the Word of God, we invite you to participate. You can send your offering to Baptist Mid-Missions and click on this link to see the different methods available to send your offering: [Give | Baptist Mid-Missions](#)

If you give to help campers, be sure to mark your gift for “**PERU LIMA CAMP PROJECT**”. We will know the purpose of your offering.

Believers Baptized

This month five people followed the Lord in believer's baptism. They are always times of great rejoicing. We praise the Lord for how He has worked in the lives of each one. It was unusual because all were ladies and of all ages.

It is hard to show a picture from an angle that has everyone that is present. This is from above.

To see Julia's face as she gives her testimony. We spent hours over the span of many months explaining to her how salvation was not by works. She finally got it!

Jose has been working for us for over 5 years. During work when I got a chance, I would talk to him about the Lord. And each morning before work begins, I gather all the men together for a devotional. Some are saved and some are not. José was not, but later came to Christ. I am not the only one who talked to him about Jesus. Two of our men who are believers also witnessed to him.

This past week he was baptized. He attends another church that is pastored by Jim Carlton, one of our Baptist Mid-Missions colleagues. Ruth and I along with two other men who work with us attended his church to see him baptized. In the picture to the left he is giving his testimony and sharing how he came to Christ. He invited a lot of his friends who are not saved and then they had lunch together after the baptismal.

Jose is growing daily in the Lord and is a joy to all of us. He is also part of your fruit.

Each of these who were baptized are very special in our hearts. One day you will get to meet them in person.

For Christ's glory,
Stanley and Ruth Templeton
