

A Letter From T.J. & Tamala Tilley TILLEY'S TRAVELS

"GO YE INTO ALL THE WORLD
AND PREACH THE GOSPEL..."

MARK 16:15

Fall 2025

Dear Friends and Supporters,

We were privileged to make another trip to Kenya in the summer with a team from one of the local churches. It was a very profitable time. Many opportunities were given to share the Gospel in schools, stores, open markets, village churches, and other areas, and a great number professed Christ as their personal Saviour. Below are a few pictures from our trip.

Family News

We are proud to announce another addition to our family, our second great grandson, Jace Edward, born on August 21. Our first great grandson, James Maverick, was born almost two years ago, and we also have one great granddaughter, Eleanor Sophia, who will soon be one.

An update on Tamala's health: she was finally released in June from the doctor's care after having a hernia repair in February, and some complications from that surgery. Unfortunately, since then she has had some heart issues. Her cardiologist advised her to have a procedure which will hopefully correct that issue, which she has already had and is doing well.

Future Plans

Our dear friend, Dr. Seabury Nyabero, will soon be with us for a few weeks. He will visit some of the churches that support and help the ministry in Kenya. Pastors, if you are interested in having him in your church, let us know and we will try to plan for him to be with you.

It is our plans to travel to Kenya again before the end of 2025. During this trip we will be participating in a graduation ceremony for those who have completed their requirements. Thank you for partnering with us. It is our desire that the Lord will continue to use us to have an impact on lives. We are grateful that we serve such a great God!

Sincerely,

Bro. T.J. & Tamala Tilley
