

A Letter From T.J. & Tamala Tilley TILLEY'S TRAVELS

"GO YE INTO ALL THE WORLD
AND PREACH THE GOSPEL..."

MARK 16:15

Dear Friends and Church Supporters,

INDIA

It is a real joy to write this letter to our wonderful supporters. As we give our report on the trip to India, we stand amazed at how the hand of Almighty God directed each step for our time spent in that great country with some wonderful, Godly people. To God be the glory! They have done a wonderful work over the past several years: winning the lost, baptizing those who accept the Gospel for salvation, and planting local Baptist churches. It has been my honor to visit in the Northeast part of India quite a few times. This is a very difficult area where many are Hindu, worshipping their millions of gods. However, when these Hindus get saved, they make wonderful Christians.

During my stay, I experienced some things that were being accomplished through the Gospel among their tribe. First, I was highly honored to speak at the twelfth graduation exercise with a large group attending the service for the ceremony. Second, it was my privilege to sit in on an ordination counsel for three men who have begun their ministry. A great work is being done by this group of Baptists in India. Third, I had the opportunity to speak in several of the churches that have been established through the Bible Institute over the years. It was a special blessing to see an older Hindu man make it known that he wanted to be saved.

SPECIAL PRAYER REQUEST

For about a year and a half, Tamala and I have been taking care of my sister, who is 87 years old. Her husband passed away a few years ago and her only son, her caregiver, passed away in November 2021, so she asked us to help with her daily care. She has a few health problems which come along with aging, and has recently fallen and broken her wrist, so that has been somewhat of a set-back. When I travel, the responsibility for her care is completely on Tamala. Please pray for her and for us as we do our best to care for her and carry on the ministry.

OTHER NEWS AND FUTURE TRAVEL PLANS

God has opened the door for us to preach in several churches this year, both here in the states and in other countries, where we have seen a few souls saved. Plans are being made for trips to Africa and to the Caribbean.

Sincerely,

Dr. T.J. & Tamala Tilley
