Dear Supporters, Friends, and Churches:

I would like to start by saying a heartfelt "Thank You" for your financial support for here in Nuevo Laredo, Mexico. Thank you also for everyone who is praying for us. It is such a blessing to know that someone is praying for us.

Things have never been as bad in Nuevo Laredo as they are now. One of the top drug cartels was killed and now a lot of people are paying for it. The cartel is now kidnapping many young boys and even women off the streets. Please pray specifically for our church members.

It's early but we have already started to get ready for our VBS service. We have VBS in four of our church member's homes. Each year we reach many children for the Lord during these VBS services. Some children even cry when the VBS is over. It costs us \$150.00 for all of the materials we need and the food we give the children.

We also are very grateful to be able to give Bibles and tracts to many national pastors who work in the interior of Mexico and don't have a way to get this material.

May God bless everyone who is supporting and has supported the work here in Nuevo Laredo, Mexico.
