Dear Pastors and Partners in Ministry,

September 2025 Prayer Letter

Thank you for your faithful prayers and support.

Surgery and Return

Thank you so much for the many who have joined with us in praying for Alaine's eye surgery last week. It took place at the Cincinnati Children's Hospital in Ohio. We are very grateful for the professionals that the Lord brought into our path along with sweet friends that were an encouragement in many ways. **Due to her CHARGE syndrome, Alaine's retinas were beginning to tear in both eyes and needed immediate attention. It became a "high priority", considering she is deaf and her vision is essential for her future.** This delayed our return to Africa slightly but, we trusted the Lord was in control. We are thankful to report the eye surgery was a complete success we will return home to Africa on September 15th! We eagerly anticipate what the Lord will do in this upcoming term!

Missions Conference

Our home church's missions conference was held during our time in the States. Noah had the opportunity to preach the opening service. God has used our local church in the last 3 years to see 7 of our own people sent into foreign missions and 1 sent locally. **God alone is worthy of all the glory as we continue to pray what Jesus commanded us to pray in Luke 10:2, "pray ye therefore the Lord of the harvest, that he would send forth laborers into his harvest".**

Short Ministry Trip and Salvations

A unique opportunity presented itself for Noah to serve with his brother Nate Wilkerson in Benin, West Africa for a short ministry trip. A group of Pastors in the area met for a conference as we walked verse by verse through the book of Titus together. The time of evangelism and outreach was a blessing well. We know of at least 5 professions of faith made during the trip. We learned many things from the fruitful ministry there that we desire to incorporate into our ministry as well. On a flight back home Noah was able to share the gospel with a young man named Anthony from the Miami, Florida area. He was a young man who grew up in the US but had never heard the gospel. After a conversation together we praise the Lord he made a profession of faith in Christ. This was a clear reminder that wherever we are, people exist who are lost in their sin at home, or abroad. **The gospel is their only hope!**

Your Missionaries, Noah, Tristan, Logan, Alaine and Henley Wilkerson
