CURRENT SERMON SERIES

This is our mission. This is our model. This is our story continues.

The book of Acts is more than history – it's a blueprint. As we follow the early Church over the next year and a half, we'll see how God launched an unstoppable movement through ordinary people filled with the Holy Spirit. Acts is a "how-to" manual for the Church today: bold community, courageous proclamation, Spirit-led leadership, and a Gospel that refuses to be silenced. Through persecution, miracles, and cultural challenges, the message kept moving- and it still does.
