## YOUNG ADULTS

18-29 yrs old

We are a diverse mix of College students and 20 somethings that want to experience the fullness of life that Jesus offers to us in John 10:10. We confront the challenges of life with the belief that God has a purpose for each one of us. The Bible gives us the principles we need to accept each challenge and to not only "make it through", but to win significant victories that improve our lives and the lives of those around us.

## Unstoppable: The Gospel In Motion

### A Journey Through Acts

The book of Acts is more than history – it's a blueprint. As we follow the early Church over the next year and a half, we'll see how God launched an unstoppable movement through ordinary people filled with the Holy Spirit. Acts is a "how-to" manual for the Church today: bold community, courageous proclamation, Spirit-led leadership, and a Gospel that refuses to be silenced. Through persecution, miracles, and cultural challenges, the message kept moving- and it still does.

This is our model.  
This is our mission.  
The story continues.
