Sept. – Oct. 2025

It is with joy that I let you know how things are going here South of the border.

The weather here is still hot; I hope your weather is not as hot. Maybe in the month of November and December it will get some cooler.

As far as my health I am doing pretty good, still able to preach and teach the gospel and do the mission work that I am able to do.

As for all the national pastors and their families are all doing well health wise, they are still busy in the work that the Lord has called them to do.

Since our last report we have had six souls saved, We praise the Lord that people are still getting saved.

In the month of October, the Ladies class will be celebrating their 37th anniversary.

Thank each one of you for your continuous faithfulness and support.

Please continue to pray for me as I continue to pray for each of you.

Love in Christ Your Missionary,

Bro. Bobby Gates
