

Dear Praying Friends,

September-October 2025

We thank the Lord for the wonderful last two months. We had several church meetings this month updating some of our supporting churches. During one of these trips, we were going down a very steep five percent grade. As we started down the grade a car in front of us lost its driver side front tire. The tire bounced over the concrete barrier into oncoming traffic it was able to get off the interstate with no more incidents. We thank the Lord for His protection during this incident.

During September we helped with the Rock of Ages Missionary Applicant and Advanced Missionary classes. We had two new missionary families and one returning family that week. We had many good classes that week and at the end of the week the two families were accepted. Also, during the September classes I had the opportunity to give an update to the Rock of Ages Board of Directors and Executive Staff. After giving the update, one of the pastors spoke of how the program was working in the public school in his community. A different pastor spoke of how well the meeting we had with the administration of his school that he is starting the CUC ministry in this fall.

We also are having a great time in the schools this year. We still need favor at the school in Harriman. The principal is a nice man; we are just needing favor with him. We do thank the Lord for the favor he has given us with the rest of the staff. Please pray for the young people that the Lord will work in their hearts and draw them closer to Him.

The school in the Atlanta area is going well. We have seen a good response from the students. Please also pray for the teachers there that the Lord will work in their hearts and they will be ministered to as well.

We are so grateful for the favor the Lord has given the ministry. Thank you for your prayers and support.

Your Servants in Christ,

Dewin and Theresa Hargrave

2 Corinthians 4:5 For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake.

Dear Praying Friends,

September-October 2025

The Prison Prevention department was born out of a burden to reach the troubled young people of America before they went to prison. This burden came from seeing young people in prison and a desire to keep them from going there. When our men are not in school, we take the opportunity to minister to the youth in the detention centers across the nation.

News From the Field:

Summer has gone by so quickly. The Lord has blessed the services at the Juvenile Detention Center. We have had 18 teens trust the Lord as their Savior. One week we had 4 pray to be Saved! The next week after services one young man came up and asked, "Can I still get Saved?" He was uncertain the week before and was worried that he had missed the opportunity to get saved. Praise the Lord, he prayed right there and ask the Lord to save Him. We are starting discipleship with the teens. Pray they will grow in the Lord. Not only were most of the Bibles in the Detention Center library not KJV they were also very worn and starting to fall apart. I ask for permission to replace their Bible with New Rock of Ages Study Bibles. The teens are now asking for their own Study Bible.

- **Missionary John Vincent**

One of the highlights this year was participating in a juvenile revival in South Carolina, where we preached 12 services and spent four hours a day ministering to young men. We witnessed 17 professions of faith, and saw God move powerfully in their hearts. Additionally, we rejoiced as a 53-year-old man named James trusted Christ as his Savior, a beautiful reminder that God's grace reaches every age and background.

- **Missionary Lamar Sosebee**

Thank you for your prayers and faithful support.

In Christ,

Devin Hargrave
Prison Prevention Director
