Discussion Questions on Back

Questions for discussion:

1. Have you ever considered the link between food, celebration, and God's story of redemption? How might it deepen our understanding of our monthly practice of the communion?
2. How often do you currently experience joy *in the Lord* in your life? What do you think is influencing that frequency? Are there hurdles to God's joy in your life or their practices that feed your joy that you can increase or recommit yourself to?
3. Have you experienced God's provision in the middle of an emotional/spiritual/financial/relational "desert wasteland" – what the Psalmist calls the "Valley of Baka"? Or are you in the middle of what that you can ask the Lord into today?
