

STONECREST

COMMUNITY CHURCH

Stonecrest Mission

We exist to pursue Jesus and join His mission of restoration.

Stonecrest Vision

Stonecrest is a restorative family, helping everyone take their next steps toward Jesus, who restores our relationships with God, self, others and the world.

Core Values

Encounter Jesus - We seek Jesus through His presence and His word.

Better Together - We follow Jesus together through honoring, diverse, and authentic relationships as a restorative family.

Deeply Formed - We live out God-given, wholistic, and healthy rhythms to be transformed by Him.

Sent to Bless - We are empowered by the Holy Spirit to generously demonstrate love and share His grace, peace and hope with all people.

Family Member Characteristics

"The Lord will guide you continually, giving you water when you are dry and restoring your strength.

You will be like a well-watered garden, like an ever-flowing spring. Some of you will rebuild the deserted ruins of your cities. Then you will be known as a builder of walls and a restorer of homes."

Isaiah 58:11-12

A Family Member of Stonecrest Church will pursue God and His heart to restore all things by encountering Jesus as a restorative family sent to bless all peoples. As Family Members we hold to the **Stonecrest statement of belief** which aligns with the [C&MA Statement of Faith](#).
