

DEAR CHURCH FAMILY,

We continue to give thanks for all God is doing through the UNCHARTED initiative! Your generosity, faithfulness, and prayers are not only moving projects forward, but they are also changing lives and expanding the Kingdom, right here in Lake Norman and around the world!

Here is a look at what your giving is accomplishing:

Denver Campus

It's official! Our new building is open! In September, the Denver Campus celebrated the launch of services in its brand-new facility, and we are already seeing new faces each Sunday. The space is beautiful, welcoming, and a powerful tool for ministry in a growing community. Thank you for helping us create a place where people can encounter God and find a spiritual home!

Mooreville Campus

Exciting progress is underway! We have officially contracted with an architectural firm and a builder to begin renovations and improvements at our Mooreville Campus. We are currently working through the early phases of the building process: finalizing plans and pursuing the necessary approvals from the city. Our goal is to start renovations early in the upcoming year, paving the way for expanded, modernized spaces that will help us better serve our church family and welcome new growth.

Continued on next page

Cornelius Campus

We're excited to share that we've engaged an architectural design firm to begin planning a significant update to our main entrance and key areas of the facility. The goal is to create a more welcoming, accessible, and efficient space that improves the flow of movement throughout the church while enhancing the overall experience for everyone who walks through our doors. These updates will also include improvements to important parts of the building that serve both guests and long-time members alike.

Global & Local Impact

You're not just building buildings; you're building lives! Our partners in Puerto Rico, Daniel and Yolanda Rivera, continue to use the van you helped provide for outreach, food distribution, and discipleship. They send their heartfelt thanks and share stories of growing influence in their community, thanks in part to your generosity.

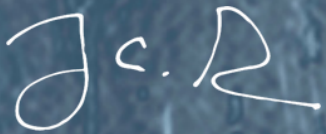

We also recently released a \$50,000 gift to Fields of Hope, our local ministry partner fighting human trafficking. This will go toward expanding housing for survivors, funding preventative education, and supporting long-term healing for many in our region. You are a part of bringing hope, restoration, and justice to the hurting!

Let's Keep Going!

The UNCHARTED journey is far from over and every gift, every prayer, every step forward matters. Thank you for being a church that gives boldly, loves deeply, and serves faithfully!

We are still sailing into UNCHARTED waters with expectant hearts, trusting that God has more in store than we could ask or imagine!

With gratitude and joy!
