THEIR NEEDS + CHRIST'S LOVE + YOUR HEART = NEW HOPE

KINGDOM ADVANCE

We are grateful to share the evangelistic and discipleship efforts of our NHMI churches as they continue advancing the kingdom of heaven on earth. Pastor Duckson of Biley recently shared:

*"It is time to celebrate **the joy of the Lord**. There was baptism of six people. Two were demon possessed and delivered from evil spirits. All glory to God who is all powerful."*

FAITHFUL PROVISION

Haiti's Harvest Festival:

Fèt Moisson is an annual vibrant celebration of gratitude usually occurring in July and August. It's a time when churches give thanks for the harvest with singing, dancing, testimonies of God's goodness, and preaching of His Word. It's a beautiful reminder of faith, abundance, and unity of the Spirit.

NEW SEASON

Milot recently **celebrated its annual gathering** with a **powerful week** of evangelization, **drawing lost souls to God's kingdom**. It was a time of awakening within the church through worship, Spirit-filled teaching, and dedicated prayer and fasting. Though facing spiritual opposition, the **church continues to stand firm in faith**.

Pastor Myrbel shares, "***Praying alone inside the church, God told me to ask for a new beginning, a new season. We are more than conquerors in all things. Thank you for your prayers.***"

We are grateful for the support of our partners, who provided new speakers, a sound mixer, and microphones to strengthen worship. **Because of this generosity**, Chaffrey was able to celebrate Children's Day, hold outdoor services and home visits, and **host a week of prayer and formation for leaders, adults, and children**—shared on YouTube to bless many beyond the church walls.

GRATEFUL PRAISE

SPIRIT AT WORK

This summer **Bas Aviation** celebrated its Harvest Festival with more than 1,200 people in attendance during the services. The congregation is preparing missionary visits to prisons and hospitals, while **Cima held a week of revival and evangelism** ending with a Harvest celebration. We **thank God for these movements** of His Spirit and **ask for your prayers** that He will continue to **guide and provide for these churches**.
