## Camp Guidelines

Everyone is expected to conduct themselves in a manner that is reflective of a follower of Jesus.

The following are some guidelines that must be followed.

- All attendees are required to attend the various camp activities.
- A night curfew "lights out" will be enforced.
- The girls dorms and rooms are off-limits to the boys at all times and vice-versa.
- Every person is required to conform to the camp schedule, and will not be permitted to leave camp without permission.
- Boys and girls may not hug nor hold hands. (Remember you are an example to others.)
- No cell phones or any other device that can access the internet. Phone calls back home at night will be allowed when needed as stated previously.
- For students of driving age automobiles are unnecessary during the camp period. They will be considered "parked" for the duration.

### Clothing:

All attendees should wear clothing that is comfortable and modest. Keep in mind being physically active, getting wet and or dirty are part of camp. Dress accordingly. If you have doubts about the suitability of an item of clothing, please don't bring it. Boys need to wear a shirt at all times (except while swimming).

We highly recommend closed toed shoes.

Please do not bring the following:

Clothing that is too tight or suggestive

Sheer/ thin tops.

Short shorts (booty shorts).

Bikini style swimwear

Spaghetti Strap Tank Tops.

**Other Guidelines:**

- The use of tobacco, alcoholic beverages, or drugs of any kind is strictly prohibited. (This includes any kind of vaping as well)
- Damages to property and the property of others is the responsibility of the youth doing the damage.
- Dormitory and cabins are under the supervision of the chaperones. Sleep and rest are necessary for sound, healthy bodies. Listening to and following instructions is expected.
- ATC reserves the right to dismiss from camp anyone who does not obey these regulations, or direct instructions from chaperones. (If a camper is dismissed from camp, there will be no refund.)
