

2nd Fall Precept Inductive Bible Study

Psalms - Part 2

Chapters 23 – 41

There is much to be learned from the Psalms about the Lord and our relationship with Him. In Psalms 23–41, we learn about waiting on the Lord and worshiping Him, about righteousness and the fear of the Lord, and about dealing with sin. You'll practice a pattern for studying the Psalms, so that you can continue to study them on your own.
