

## **FAFC Questions**

1. What most impacted you from the message?
2. Grace is the most important theme in the Bible. Would you agree or disagree? Why or why not? Describe what it means to receive grace. How has God offered that to us?
3. What was it about Mephibosheth that made him an unlikely recipient of grace? Reference the things about his life (name, condition, and residence) that should have forfeited grace. What did David do to show it?
4. In the story of David and Mephibosheth, the King of Israel did not have to offer grace. What happened to kings and their families when a new king took over their throne? What does that say about David's character that he would extend such a heart to Jonathan's family?
5. What steps did David take to reestablish or restore His relationship with Mephibosheth? In the same way, God has done the same for us. Name ways that God has offered grace to us.
