3. What does Hebrews 2 mean when it references “so great a salvation”? Would you describe, like the author, our salvation as great? Name some reasons that would be true.
4. Our culture has become used to religions where a person goes to a priest. This was common in the Old Testament days. What changed that, and why is Jesus referred to as our “High Priest?”
5. Hebrews 11 talks about the “Heroes of Faith” who trusted the Lord even at a great price. While many experienced pain on this earth, they knew a greater reward was coming. Why is that important to remember for us in challenging times? What trial are you facing that God wants to help remind you that it will not be permanent?
