

FAFC Interaction and LIFE Groups

1. What most impacted you regarding Christ's birth in the message?
2. The word "love" in Greek is "agape" meaning that God's love is unconditional. That means God loves you no matter what you have done or no matter what you will do. How does that make you feel?
3. The Bible distinguishes between the "finite love" the world offers and the "infinite love" God offers. Talk about a person in your life who extended great love to you. Use three words to describe it. As good as that love is, why does human love fall short? Talk about your experience in God's love. Use three words to describe it. What are the benefits that we find in God's love?
4. C.S. Lewis once said, "Christianity has no message for those that don't realize that they are sinners or don't realize they need salvation." What does that mean to you? Why is recognizing our unworthiness the basis for truly grasping God's love? Be candid in the type of characteristics you had (or God is still working on) before you came to Christ. Why is His love so powerful in that?
5. How do you practically apply your relationship with Christ to find His help? What builds you when you feel weak? How can you find His help this Christmas and what can you do?
