## MAIN POINTS, DEFINITIONS & APPLICATION

### Section I: Reintroducing God Encounters:

#### God Encounter:

Any moment in which God deposits Himself into your awareness, body, or memory—no matter how subtle.

- Fleeting impression
- Deep knowing
- Physical sensation (weight, electricity)
- Dream / Vision
- Quiet shift within
- Peace
  
- Every part is language
  - Evidence that glory touched the material realm
  - Mental and physical indicators that something supernatural is happening

We've coined encounters as:

- Experiences Vs. Deposits
- Souvenirs vs Seeds
- Stories or beautiful memories

Encounters are deposits and seeds of Glory meant to be watered.

SEED SERVICE

## MAIN POINTS, DEFINITIONS & APPLICATION

**Glory:** the tangible emanation of God's inner majesty—His nature, essence, and power made manifest.

**Emanation:** a perceivable thing that originates from a Source

- Heat to Fire
- Brightness to Light

The glory of the encounter is the tangibility you experienced in mind and body during the encounter

The Nature of NT glory is everlasting

\*\*\*\*Within you, the seed of glory may be untapped but it's unfading.

If you are in Christ, Your Spirit doesn't need an encounter — God and His fullness already dwells there.

Encounters are for your soul (mind) and your body

- Your mind and body need something tangible to become fully acquainted with who you already are as Spirit.

SEED SERVICE

## MAIN POINTS, DEFINITIONS & APPLICATION

### Encounter:

- The Spirit Releases
- The Mind Records
- The Body Feels

## Why Encounters?

### I AM GLORIFIED

So your inner conformity (Christ) can clothe your outer man

- So who you are as Spirit (Christ) finds expression as soul and as body...

### KEY I: Write your encounters down

## Section II: A Forgotten Ancient Technology

### The Technology of Remembering

The generation of NOW vs Ancient Practices:

### Remembering: *zakar*

- To call to mind, bring to remembrance
- To mark, mention, record
- To act on behalf of what is remembered
- God's fail-safe technology for generations

SEED SERVICE

## MAIN POINTS, DEFINITIONS & APPLICATION

What preserved generations is now regenerating you...

When God remembers, it evokes relationship and covenant.

What covenant benefits are we evoking, when we remember?

What is the Holy Spirit Bringing to your Memory?

### Transformation

Neuroscience confirms that the memory, emotional, and sensory parts of your brain collaborate to vividly recreate past experiences, making them feel as if they are happening again—mentally, emotionally, and physically.

Neuroscience confirms that repeatedly recalling a memory primarily strengthens existing neural pathways, but it can also lead to the creation of new connections as the brain reorganizes itself to support the recall and integration of experiences.

Actively:

- Re-member
- Re-call
- Re-engage
- Re-face

Remembering in the New Covenant evokes all that the **blood** has paid for – the covenant of Oneness - perfection.

## MAIN POINTS, DEFINITIONS & APPLICATION

What preserved the former generation is now preserving you for generations – Immortality

There's a seed that's alive in you that needs to be watered by remembering...

Key II: Re-Member. Re-Face. Embrace.

- Replay the moment of impact, slowly – the moment / feeling you became aware it was God
- Slow down the glimpses!, Embraaaaaaace them
- Speak in Tongues while you recall / replay them
- Breathe deeply and slowly in tandem

## Section III: The Irrevocable Key

How my remembering dried up...

- I wanted More
- Another Fresh touch
- Another intensified experience
- I began to doubt, I hit a wall and cried out to the Holy Spirit

He reminded me of one word, Honor:

- Treat as holy
- Give weight to / Reverence deeply
- Assign value to it, Defer to it with sacred regard

SEED SERVICE

# FROM ENCOUNTER TO INCARNATION

## MAIN POINTS, DEFINITIONS & APPLICATION

- In the old testament, honor and glory are the same Hebrew words.

To dishonor means to treat as common or give light or no regard to.

I didn't honor or regard the previous encounters (I thought, "I ALREADY DIVED INTO THEM!")

- I stopped up the flow

Outcome Bias:

Judging the value of an experience based on whether the outcome fits your desired result, rather than its actual worth.

The seed may be small—but it's never empty.

**Never underestimate a seed** - God's response to the fall of mankind was a Seed

**Key III: Honor: Allow God to bring definition to a God encounter.**

- Offer up your expectation boxes (schemas)

**KEYS:**

**Key I: Write your encounters down**

**Key II: Re-Member. Re-Face. Embrace.**

**Key III: Honor: Allow God to bring definition to a God encounter.**

**Don't call common what God has called uncommon.**

Shakach (שָׁכַח) = to forget, neglect, ignore, wither, cease to care or fail to respond to what's sacred

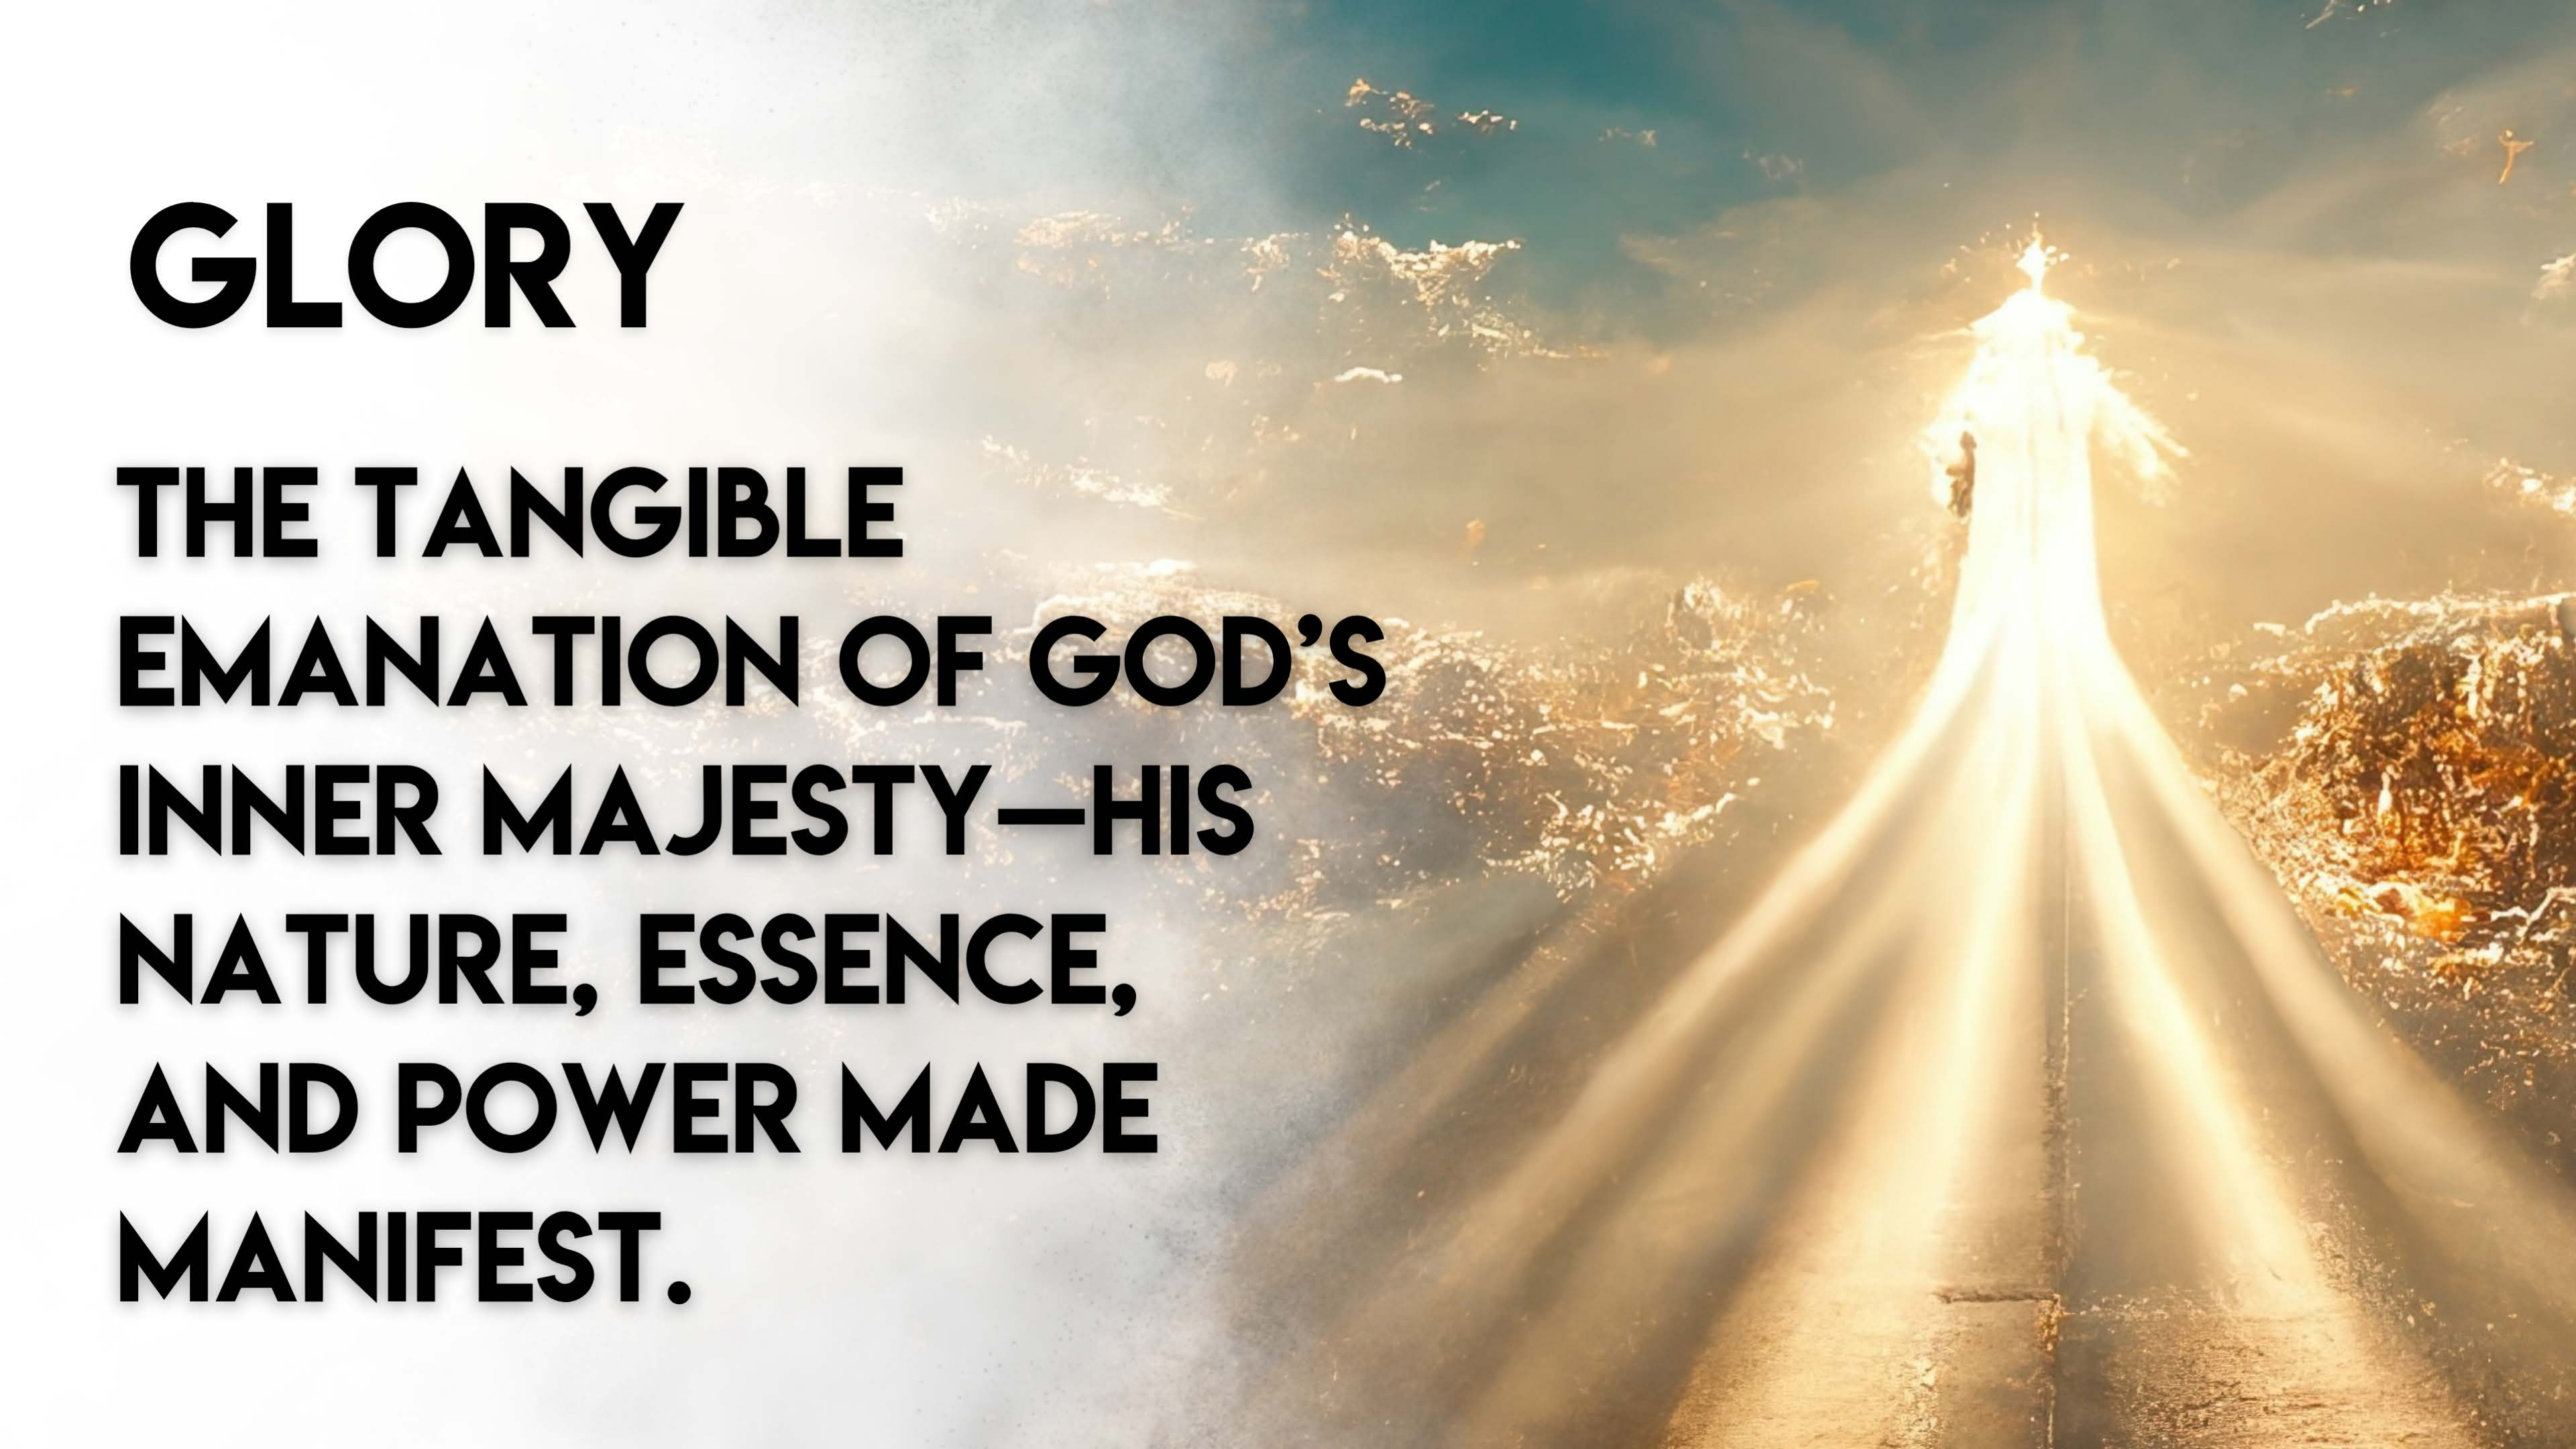

# **GOD ENCOUNTER:**

**ANY MOMENT IN WHICH GOD DEPOSITS HIMSELF INTO  
YOUR AWARENESS, BODY, OR MEMORY—NO MATTER  
HOW SUBTLE.**

- **FLEETING IMPRESSION**
- **DEEP KNOWING**
- **PHYSICAL SENSATION**
- **DREAM / VISION**
- **QUIET SHIFT WITHIN**
- **PEACE**

# **GLORY**

**THE TANGIBLE  
EMANATION OF GOD'S  
INNER MAJESTY—HIS  
NATURE, ESSENCE,  
AND POWER MADE  
MANIFEST.**
