Team - SOS - Sole'd Out on Souls

Sharing the Good News as We Step in Faith

Every step is more than movement...it's a message of hope. Combining movement with mission:

Making our platforms our pulpits:

- Daily Verse with a Voice: Share a Bible verse each day and add a short, personal reflection or encouragement.
- Weekly Devotional: Post a 1-minute devotional (video or text) to uplift and point others to Christ.

Taking the Gospel into the everyday places:

- Tracts with a Smile: Distribute Gospel tracts wherever we go...simply sharing the Good News "Jesus loves you."
- Water & the Word:
 - Sunday, August 10 | 8:45 9:45 AM (Outside Church)

Give bottled waters and Gospel cards or tracts to passersby.
