SUMMER STEPS MISSION CHALLENGE 2025

AUGUST 4TH - 31ST

"How beautiful are the feet of those who preach the Good News!"

WHEN FAITH FUELS THE STEPS

Embarking on a fitness challenge when you don't usually exercise is not easy. There were days I felt like I couldn't go on, that it was just too hard.

During one of the days of stepping, my feet were burning and my back was aching (by the third week I was experiencing muscle spasms according to the doctor) and I had to sit. I was about to give up, when I saw this quote "Don't give up because you are tired, give up when you are done." I thought, "God it's not a scripture verse", but it did bring one to remembrance.

"Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us."

Hebrews 12:1

My "weight" was the doubt and lack of believing that I could do it. I had to lay those things aside and remember that while being physically fit is good, it was about souls. I was reminded about praying for souls and sharing the love of Christ.

So, as I pushed through, I paced myself to reach the goal I had set. I prayed and shared messages of hope. There's so much more that I could've done but the race isn't over.

The Stepping Challenge may be over, but souls still need Jesus. So, I will continue on - both physically and spiritually.

Alicia Griffith

SUMMER STEPS MISSION CHALLENGE 2025

AUGUST 4TH - 31ST

"How beautiful are the feet of those who preach the Good News!"

Some Mission Updates from our Teams

For our project, team members were being more intentional about sharing the gospel, bible verses and encouragement via social media channels and face-to-face with our network - family, friends and colleagues. The focus was on relationship building and organic connections to facilitate more authentic sharing.

Team Sole Purpose

Provided uniforms for one student.

Team Pathfinders

For our missions so far, we have been trying to invite people out to church during this period. We have had some success with others committed to coming on Sunday.

Team Beautiful Feet
