

2025 ANNUAL REPORT

EVERY NUMBER HAS A NAME

This 2025 Annual Report is an opportunity to see how God is moving at Crossroads and remember that every number represents a changed life.

Crossroads Family,

2025 was a year of renewed vision and galvanizing our commitment to be disciples who make disciplemakers. The Vision Frame brought clarity in our pursuit of being a community of authentic Christ followers.

As authentic Christ followers, 2025 was filled with wonderful opportunities to grow together and boldly share the good news of Jesus Christ. We grew through Renewal in the Garden with the God of the garden. Continue the Journey began to turn from dream to reality. This has given us an even deeper resolve to be faithful to God and His Kingdom work.

The numbers in this report tell a story; a story of God at work in us and through us. I pray that as you look through these pages, you will be encouraged to continue following Jesus, the founder and perfecter of our faith...

Hebrews 12:1-2 (ESV) - Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us,² looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God.

Grace and peace,

“The Lord has faithfully worked through the Biblical Soul Care Team to bring hope and healing in difficult situations, including restored marriages, forgiveness, and strengthened faith. Through ministries like Coffee with a Counselor, lives have been transformed by God’s Word, and both disciples and team members have experienced spiritual growth as the ministry continues to grow.”

“

This year, our Adult Ministries provided meaningful opportunities for connection, accountability, and spiritual growth. Through teaching, shared testimonies, table conversations, Q&A, and prayer, adults built deeper relationships, grew in their love for Jesus, and learned how to love, serve, and walk together as a community of authentic Christ followers.

“ This year, the Next Gen team has worked hard to keep the Vision Frame in mind which has enhanced our intentionality to kids and teens We've seen that intentionality lead to increased connections between kids, parents, and leaders. It's been a joy to watch students grow in their identity in Christ, find their belonging in the family of God, and to live out their faith this year! ”

TOOLS THAT SERVE OUR DISCIPLE-MAKING MISSION

In 2025, Crossroads completed a comprehensive digital and brand refresh to better engage our church family and community in an increasingly mobile and visual world. Building on our last brand update in 2011, we invested over two and a half years upgrading key digital platforms, including our church management system, mobile app, and website, creating clearer communication and easier access to ministry resources.

With these foundations in place, our staff team undertook a thoughtful logo refresh, reviewing hundreds of concepts to arrive at a design that is flexible, recognizable, and aligned with who we are today. This refreshed look is now being implemented across digital platforms, signage, and materials.

More than a new logo, these efforts reflect our commitment to stewarding technology as a tool to help people encounter Jesus, connect at Crossroads, and live out our mission of making disciples who make disciples.

The Frame

“The Frame” serves as a foundational snapshot of who we are, what we do, why we do it, how we do it, and when we know we are successful. It provides clarity in purpose and action, ensuring that we remain aligned with the clear call to the Church according to the Scripture.

Think of it in terms of a special picture hanging on the wall of your house. The frame around the picture is important because it holds the picture. We don't typically have empty picture frames setting around the house. Why? Because the frame is not the central focus.

The frame is only important as it holds what it displays – the picture. This frame is important as it holds the beauty of the bride of Christ, the Church (Revelation 19:5-9; 21:9).

CONTINUE ON THE JOURNEY

It's about people and discipleship

Continue the Journey is our master design plan created to address Crossroads' growing need for space that supports people, relationships, and discipleship. While buildings don't make disciples, we believe that a thoughtfully designed facility can serve as a powerful tool, creating space for ministry, connection, and life-on-life discipleship to flourish.

Phase 1 of Continue the Journey is underway and scheduled for completion this June. Phases 2 and 3 will follow as God provides and leads. Each phase moves us closer to a facility that helps us love well, serve faithfully, and invest deeply in those God brings to Crossroads—both now and for future generations.

Ultimately, it is Christ who builds His Church. We simply want to be good stewards of the people He brings our way by loving them well, sharing the gospel, and helping them grow in Christ. Our building and property are tools that support this vision of being an authentic community of Christ followers.
