Crossroads Farmers Market

Each Sunday morning,
July 20th – August 24th

As you harvest produce from your gardens, we have several ways for you to share it!

Start by bringing it with you on Sunday mornings to share with others from Crossroads!

Bless others in our community by sharing your harvest with David's Courage, Bread of Life Food Pantry, and the Marshall County Neighborhood Center.

Record your pounds!

As you pick your produce, estimate the number of pounds you harvest and share it with us via your church app or online at crossroadsefc.com!

Our goal as a church is to raise 1,200 lbs. of produce!
