

# **THE PURPOSE AND POTENTIAL OF THE CHRISTIAN HOME**

- A Harbor from the wicked winds of the world.
- A Hospital for healing the wounds from this world.
- A Haven from the worthless wisdom of this world.

- Every home has a history of hurts and heartaches, though often buried inside the home and hidden from outsiders.
- Many Christian homes harbor hurts and heartaches instead of pursuing healing, thus hindering their God given purposes.
- Hope for healing the Home is found in the principles of scriptures, in the work of Jesus, and in the power of the Holy Spirit.
