

Are not all angels ministering spirits sent to serve those who will inherit salvation? Hebrews 1: 14

### **QUESTION #1 WHAT ARE ANGELS AND ARE THEY REAL?**

- Angels are c\_\_\_\_\_ beings made by God for His glory  
“For in Him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through Him and for Him.” Col 1: 16
- The Greek word *angelos* translates as “messenger”
- Angels are mentioned more than \_\_\_\_\_ times in 35 books of the Bible
- Angels are especially prominent in books like Ezekiel, Daniel, Zechariah, the four Gospels, Acts,  
and Revelation
- Angels are not specifically mentioned in Genesis 1-2; however, it is likely that they were created before God made the material/physical world  
Job 38: 7 seems to indicate they were present and “shouted for joy” at creation.  
-certainly before Genesis 3...fallen angel, Satan, was in the Garden of Eden to tempt Adam and  
Eve through the serpent (Gen 3:15; Rom 16:20)

### **QUESTION #2 DO ANGELS HAVE BODIES?**

- Hebrews 1:14 states that angels are *spirits*.
- Luke 24:39 states that spirits do not have "flesh and bones" as Jesus did in His transformed, resurrected body.
- So angels do not have *bodies* as we know them. We might describe them as "localized spirits" that can manifest themselves visibly to humans.
- If angels have some kind of immaterial body, those bodies must be able to clothe themselves with the bodies of men and women, as is the case of demon possession. While the idea of an immaterial body that could be clothed with a material body sounds strange to us, we cannot say it is impossible.

### **QUESTION #3 Are there different types of angels?**

The answer is \_\_\_\_\_ based on the following scripture passages and terms:

C\_\_\_\_\_ These creatures are described in Ezekiel 1 and 10. One of the characteristics of the cherubim was *adoration of God*. Cherubim are constantly in the presence of God, in His throne room, as beings of *praise* and *worship*. This may be the highest classification of angelic beings since the term apparently applied to Satan prior to his fall (Ezekial 28:14).

**Seraphim** The word "seraphim" literally means "burning ones." These angelic beings were brilliant as flaming fire, symbolic of the *purity* and *power* of the heavenly court. This term is used only in Isaiah 6. They cried out continually, "Holy, holy, holy, is the Lord of hosts, the whole

A \_\_\_\_\_ *Michael* alone is called an archangel (Jude 9). He is "one of the chief princes" (Daniel 10:13) who rules over the other angels (Revelation 12:7), and evidently has a particular assignment with respect to the nation of Israel (Daniel 12:1; cf. 10:20). It is likely that Michael was at one time *second in command* but not the leader of the angelic hosts.
