

Kingdom Kids Behavior Agreement

Our Vision at Kingdom Kids is to help children come to Know, Love, and Commit to Jesus Christ and impact their environment for God's glory. We encourage application of truths and principles from God's word by engaging in Christian fellowship and training children to serve while utilizing their spiritual gifts.

To ensure all of our children have a safe, welcoming environment to grow spiritually, our teachers, students, and parents/guardians commit to working together.

Behavior Expectations

- Students and teachers will be on time, ready to learn
- Participate in classroom activities
- Follow the directions of the adults
- Show respect and acceptance to classmates and teachers at all times
- Demonstrate appropriate behavior and be respectful of church property

If for some reason these expectations are not being met and your child does not respond to teacher prompts, your child will be removed from Kingdom Kids and will remain with you throughout the remainder of service.

If your child's behavior requires removal, parents must accompany the child for at least one class upon return. If the behavior continues, a meeting with the parent, ministry leader, and child will be scheduled.

My child and I have reviewed the behavior expectations and agree to adhere to the Kingdom Kids Behavior Agreement.
