Aspirational Changes: Outreach

Most people do not look forward to walking up to a strangers home and knocking on their door to meet them. People selling things like Girl Scout cookies do it because they have something to gain. Would you have something to gain from going to a new move-in's home to give them a gift bag and an invitation to LCBC? When we battle the resistance to this opportunity from our human flesh, we can think of many reasons not to go. What about the reasons to put a smile on your face and go? Jesus talked about laying up treasures in Heaven. We have had the experience of our teams (no one goes alone) actually knowing someone who lives in that home. Certainly, we will take the time to invite them to worship and more. The contents of the bag you will distribute will help you with the conversation. The tract inside is a gospel presentation they can read and reread. We at LCBC aspire to be a church that makes disciples that make disciples. Come to the Adult Education building tomorrow night just before 6 p.m. and we will help you find a team task that you are comfortable with. One person can quietly pray and help with distractions. A second person can take notes about the people you are meeting. The third person can do the introductions, ask a few questions, that will lead the conversation to answering questions they may have about Jesus and His church at LCBC.

God's purpose for the Little Cypress Baptist Church is to obey the Great Commission by being involved here and abroad in evangelism through missions, discipling believers, meeting social needs, and providing opportunities for Christian worship.
